Hi Kurt- Welcome Back! We are still scheduled to check-in tomorrow at 1:30 PM on some of the topics that we will likely raise at our August 28th meeting. Meredith will be joining me on the call, so I thought it might be helpful for Michael to join us if he is available. I know his schedule is often as hectic as ours but thought I would inquire now that you have returned.

Also, attached is some information on ammonia. The Table is CARB's from the SIP submittal and the bar charts we pulled together.

Hope you had a great time away and looking forward to talking with you soon!
Elizabeth
